

Bashar Mahmoud

Computer Science Student (4th Year) | Faculty of Computers and Information, Minia University – Egypt

+201557770159 bashar2060200001@gmail.com bashar-mahmoud-7a9a04284 BasharmKhalaf

Profile

Motivated Computer Science student with strong problem-solving skills and solid foundations in data structures and algorithms. Solved 2500+ problems on competitive programming platforms and achieved finalist status in regional contests. Seeking a Software Engineering Internship to apply algorithmic thinking and programming skills in real-world projects.

Education

Bachelor of Computer Science

Faculty of Computers and Information, Minia University

4th Year Student | GPA: 3.6 / 4.0

Competitive Programming & Achievements

- ACPC 2025 (Arab Collegiate Programming Contest) – Finalist
- JCPC 2025 (Jordan Collegiate Programming Contest) – Tester
- Solved **2500+ problems** on competitive programming platforms (Codeforces: Bashar_khalf)
- Strong experience in algorithms, data structures, and performance optimization

Projects

Simulation and Modeling Project

- Developed simulation models as part of academic coursework
- Applied mathematical modeling and algorithmic analysis

AI-Based DOCX Reformatter

- Built a tool that reformats DOCX files and improves document structure using AI
- Enhanced document readability, consistency, and professional layout

Technical Skills

Programming Languages

C++, C#

Core Concepts

Data Structures, Algorithms, OOP, Problem Solving

Tools & Technologies

Git / GitHub, MS SQL Server, Prince XML

Languages

Arabic: Native

English: Good
